These charges are intended to reimburse Paul, Weiss's direct operating costs, which are not incorporated into Paul, Weiss's hourly billing rates. Paul, Weiss charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of this type are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

62. In compliance with the Fee Guidelines, Paul, Weiss charged \$0.10 per page for standard duplication services. This does not exceed the maximum rate set by the Fee Guidelines.

63. In addition, due to the location of the Debtors' businesses, creditors, and other parties-in-interest in relation to Paul, Weiss's offices, frequent multi-party telephone conferences involving numerous parties were required. The disbursements for such services are not included in Paul, Weiss's overhead for the purpose of setting billing rates, and Paul, Weiss has made every effort to minimize its disbursements in these Chapter 11 Cases. The actual expenses incurred in providing professional services were necessary, reasonable, and justifiable under the circumstances to serve the needs of the Debtors in these Chapter 11 Cases.

64. Among other things, Paul, Weiss ensures that all overtime meals, travel meals, hotel rates, and airfares (if any) are reasonable and appropriate expenses for which to seek reimbursement. Specifically, Paul, Weiss regularly reviews its bills to ensure that the Debtors are only billed for services that were actual and necessary and, where appropriate, prorates expenses.

**Paul, Weiss's Requested Compensation and Reimbursement Should Be Allowed**

65. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

66. Paul, Weiss respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. Paul, Weiss further believes that it performed the services for the Debtors economically, effectively, and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the

Debtors' stakeholders. Paul, Weiss further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties-in-interest.

67. During the Fee Period, Paul, Weiss's hourly billing rates for attorneys ranged from \$1,560 to \$2,025 for partners, \$1,525 for counsel, \$735 to \$1,280 for associates, \$550 to \$570 for staff attorneys, and \$290 to \$435 paraprofessionals. These hourly rates and corresponding rate structure utilized by Paul, Weiss in these Chapter 11 Cases are equivalent to the hourly rates and corresponding rate structure used by Paul, Weiss for restructuring, bankruptcy, insolvency, and comparable matters, and similar complex corporate, securities, and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. Paul, Weiss strives to be efficient in the staffing of all matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in these Chapter 11 Cases.

68. Moreover, Paul, Weiss's hourly rates are set at a level designed to compensate Paul, Weiss fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

69. In sum, Paul, Weiss respectfully submits that the professional services provided by Paul, Weiss on behalf of the Debtors and their estates during these Chapter 11 Cases were necessary and appropriate given the complexity of these Chapter 11 Cases, the time expended by Paul, Weiss, the nature and extent of Paul, Weiss's services provided, the value of Paul, Weiss's services, and the cost of comparable services outside of bankruptcy, all of which are relevant

factors set forth in section 330 of the Bankruptcy Code. Accordingly, Paul, Weiss respectfully submits that approval of the compensation sought herein is warranted and should be approved.

**Reservation of Rights**

70. It is possible that some professional time expended or expenses incurred during the Fee Period are not reflected in this Fee Application. Paul, Weiss reserves the right to include such amounts in future fee applications.

Due to the large number of debtor entities in these Chapter 11 Cases, for which the Court has granted joint administration, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.ra.kroll.com/Revlon>. above-captioned chapter 11 cases (the “Chapter 11 Cases”). I am a member in good standing of the Bar of the State of New York and I have been admitted to practice in the United States District Court for the Southern District of New York.

2. I have read the foregoing fee application of Paul, Weiss for the Fee Period (the “Fee Application”).<sup>2</sup> To the best of my knowledge, information, and belief, the statements contained in the Fee Application are true and correct. In addition, I believe that the Fee Application complies with Local Rule 2016-1 and the Fee Guidelines.

3. In connection therewith, I hereby certify that:

- a) I have read this application;
- b) to the best of my knowledge, information, and belief, formed after reasonable inquiry, the fees and disbursements sought in the Fee Application are permissible under the relevant rules, court orders, and Bankruptcy Code provisions;
- c) the fees and disbursements sought in the Fee Application are billed at rates customarily employed by Paul, Weiss and generally accepted by Paul, Weiss’s clients. In addition, none of the professionals seeking compensation varied their hourly rate based on the geographic location of the Debtors’ case;
- d) in providing a reimbursable expense, Paul, Weiss does not make a profit on that expense, whether the service is performed by Paul, Weiss in-house or through a third party;
- e) in accordance with Bankruptcy Rule 2016(a) and section 504 of the Bankruptcy Code, no agreement or understanding exists between Paul, Weiss and any other person for the sharing of compensation to be received in connection with the above cases except as authorized pursuant to the Bankruptcy Code, Bankruptcy Rules, or Local Rules; and
- f) all services for which compensation is sought were professional services on behalf of the Debtors and not on behalf of any other person.

<sup>2</sup> Capitalized terms used, but not otherwise defined herein, have the meanings ascribed to them in the Fee Application.

4. Paul, Weiss discussed its rates, fees, and budget with the Debtors at the outset of, and throughout, the Chapter 11 Cases. A summary of the budget prepared in connection with Paul, Weiss's representation of the Debtors in the Chapter 11 Cases and a summary of the staffing plan are attached to the Fee Application as **Exhibit G**. Due to certain unanticipated matters that arose during the Chapter 11 Cases, for certain projects, Paul, Weiss added and utilized subject-matter professionals and paraprofessionals to minimize the cost of Paul, Weiss's services. 51 attorneys and 38 litigation support specialists and paralegals included in the Fee Application were not originally included in the staffing plan approved by the Debtors.

5. Pursuant to Section B(2) of the Local Guidelines, and as required by the Interim Compensation Order,<sup>3</sup> I certify that Paul, Weiss has complied with the provisions requiring Paul, Weiss to provide the Debtors, counsel to the Creditors' Committee, and the U.S. Trustee with a statement of Paul, Weiss's fees and expenses accrued each month within the timetables set forth in the Interim Compensation Order.

6. Pursuant to Section B(3) of the Local Guidelines, I certify that Paul, Weiss has provided the Debtors, counsel to the Creditors' Committee, and the U.S. Trustee with a statement of Paul, Weiss's fees and expenses incurred during the Fee Period.

7. In accordance with the U.S. Trustee's Guidelines, Paul, Weiss responds to the questions identified therein as follows:

**Question 1:** Did Paul, Weiss agree to any variations from, or alternatives to, Paul, Weiss's standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the Fee Period? If so, please explain.

**Answer:** No.

---

<sup>3</sup> See Order Authorizing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 259].

Question 2: If the fees sought in the Fee Application as compared to the fees budgeted for the time period covered by the Fee Application are higher by 10% or more, did Paul, Weiss discuss the reasons for the variation with the client?

Answer: The fees sought for the Fee Period do not exceed those budgeted for such time.

Question 3: Have any of the professionals included in the Fee Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: No.

Question 4: Does the Fee Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? If so, please quantify by hours and fees.

Answer: The Fee Application includes time related to reviewing time records and preparing or reviewing invoices in connection with the preparation of the Fee Application and monthly fee statements. The time expended for such matters during the Fee Period is included within Task Code Category 715.

Question 5: Does the Fee Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: As part of the ordinary review of time records to ensure compliance with the Fee Guidelines, certain information may be redacted or edited to protect privileged or confidential information. Any time expended on reviewing and redacting time records for privileged or confidential information during the Fee Period is included within Task Code Category 715 and includes time: (a) spent to ensure that time entries comply with the Fee Guidelines and do not disclose privileged or confidential information; (b) spent to prepare monthly fee statements and begin to prepare the Fee Application; (c) spent to ensure the adequacy of disclosure regarding activities included in the Fee Application; and (d) spent on obtaining approval of Paul, Weiss' retention and on review of conflicts checks for parties-in-interest in these Chapter 11 Cases.

Question 6: Does the Fee Application include any rate increases since Paul, Weiss's retention in these cases? If so, did the client review and approve those rate increases in advance? Did the client agree when retaining the law firm to accept all future rate increases?

Answer: No. The Fee Application does not include any rate increases since Paul, Weiss's retention in these Chapter 11 Cases.

1. The Retention Application is GRANTED to the extent provided herein.

2. Pursuant to section 327(a) of the Bankruptcy Code, Bankruptcy Rules 2014 and 2016, and Local Rules 2014-1 and 2016-1, the Debtors are authorized to employ and retain Paul, Weiss as their counsel in these Chapter 11 Cases *nunc pro tunc* to the Petition Date in accordance with the terms and conditions set forth in the engagement agreement effective as of August 25, 2020 (the Engagement Letter”) attached hereto as Appendix 1.

3. Paul, Weiss is authorized to render professional services to the Debtors as described in the Retention Application and the Engagement Letter. Specifically, but without limitation, Paul, Weiss will render the following services, among others:

- (a) providing legal advice with respect to the Debtors’ powers and duties as debtors-in-possession in the continued operation of their businesses and management of their properties;
- (b) attending meetings and negotiating with representatives of creditors and other parties-in-interest and advising and consulting on the conduct of these Chapter 11 Cases, including the legal and administrative requirements of operating in chapter 11;
- (c) taking action necessary to protect and preserve the Debtors’ estates, including the prosecution of actions on the Debtors’ behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors’ estates;
- (d) preparing and prosecuting on behalf of the Debtors all motions, applications, answers, orders, reports, and papers necessary to the administration of the estates;
- (e) advising and assisting the Debtors with financing and transactional matters as such may arise during the Chapter 11 Cases;
- (f) representing the Debtors in connection with obtaining authority to use cash collateral and post-petition financing;

- (g) advising and assisting the Debtors with financing and transactional matters that may arise during these Chapter 11 Cases;

- (i) appearing in Court and protecting the interests of the Debtors before the Court;
- (j) advising the Debtors regarding tax matters; and
- (k) performing all other legal services for the Debtors that may be necessary and proper in these Chapter 11 Cases.

4. Paul, Weiss shall apply for compensation of professional services and reimbursement of expenses incurred in connection with the Chapter 11 Cases in compliance with sections 330 and 331 of the Bankruptcy Code and the applicable provisions of the Bankruptcy Rules, the Local Rules, and any applicable orders of this Court.

5. Paul, Weiss shall apply any remaining amounts of its prepetition retainers as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to the first order of the Court awarding fees and expenses to Paul, Weiss. Paul, Weiss is authorized without further order of the Court, to reserve and apply amounts from the prepetition retainers that would otherwise be applied toward payment of postpetition fees and expenses as are necessary and appropriate to compensate and reimburse Paul, Weiss for unbilled fees or expenses incurred on or prior to the Petition Date consistent with its ordinary course billing practices. Paul, Weiss shall waive any remaining outstanding fees and expenses in excess of the fully applied advanced payment retainer relating to the period prior to the Petition Date.

6. Paul, Weiss shall apply any retainer remaining at the time of its final fee application in satisfaction of compensation and reimbursement awarded with respect to such application, and promptly pay to the Debtors' estates any retainer remaining after such application.

7. Paul, Weiss shall use its best efforts to avoid any duplication of services provided by any of the Debtors' other Chapter 11 Professionals in these Chapter 11 Cases.

8. Paul, Weiss shall provide at least 10 business days' notice to the Debtors, the U.S. Trustee, and any official committee appointed in these Chapter 11 Cases prior to any increases in the rates set forth in the Eaton Declaration and shall file such notice with this Court.

9. To the extent the Retention Application is inconsistent with this Order, the terms of this Order shall govern.

10. The Debtors and Paul, Weiss are authorized to take all action necessary to carry out this Order.

11. Notice of the Retention Application as provided therein shall be deemed good and sufficient notice of the Retention Application, and the Local Bankruptcy Rules are satisfied by the contents of the Retention Application.

12. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

13. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation and/or enforcement of this Order.

## Engagement as Counsel

Dear Ms. Robinson:

It is our pleasure to serve as counsel to Revlon, Inc. (the "Company") from time to time on various matters. Our records indicate that we do not have an engagement letter on file with you, and we would like to memorialize the terms of our engagement on Revlon matters, including in connection with advising the Company on potential strategic transactions and initiatives ("Strategic Transactions").

MacAndrews & Forbes in matters unrelated to Revlon, and that you waive any right you may now or ever have to seek to disqualify this firm from representing MacAndrews & Forbes in any such matter.

### TERMS OF ENGAGEMENT

The following terms and conditions apply to our engagement as your counsel:

**1. Scope of Representation and Client Relationship** — We agree to provide you with legal services, as requested by you from time to time, which in our professional judgment are reasonably necessary and appropriate in connection with the matter described above. At this time, our engagement involves general corporate and litigation matters, strategic transactions and other ongoing matters for which we have been engaged and we would be pleased to consider representing you in such other matters as you may request. The terms and conditions of our engagement in any such other matter will be those set forth in this letter unless we otherwise mutually agree in writing. In all matters in which we represent you, we will provide services of a strictly legal nature, and it is understood that you will not be relying on us for business, investment, or accounting advice, nor to assess or vouch for the character or creditworthiness of any third person.

Unless we otherwise agree or our representation of you otherwise requires, our engagement is solely with the individuals or entities specifically identified as clients in this letter. By entering into this agreement, we are not agreeing to represent any other individuals or entities not named as clients herein, including your parent, subsidiary or affiliated corporations or businesses.

The question of whether our fees are covered by some third-party agreement (including an insurance policy) is not within the scope of our representation, unless you specifically request us to consider that question.

**2. Retainer** — Our agreement to represent the Company in connection with this engagement is contingent upon the Company's payment to us of an advance payment retainer in the amount of \$500,000.00. In addition, the Company agrees to provide one or more additional advance payment retainers as necessary, so as to ensure that the amount of any advance payment retainers remain at or above our estimated fees and expenses. We may apply the advance payment retainers to any outstanding fees as services are rendered and to expenses as they are incurred. The Company understands and acknowledges that any advance payment retainers are earned by us upon receipt, any advance payment retainers become our property upon receipt, the Company no longer has a property or any other interest in any advance payment retainers

Revlon, Inc.

3

upon our receipt, any advance payment retainers will be placed in our general account and will not be held in a client trust, escrow or similar account, and the Company will not earn any interest on any advance payment retainers. The purpose of the advance payment retainer is to ensure that we do not become a creditor of the Company and will not be disqualified from representing the Company in any liquidation, reorganization or similar proceeding, including in any case under Title 11 of the United States Code. The advance payment retainer is not a security deposit or security retainer. Notwithstanding payment of the advance payment retainers, the Company shall remain liable to us for all amounts owed to us pursuant to the terms of this engagement letter. At the conclusion of this engagement, if the amount of any advance payment retainers held by us are in excess of the amount of our outstanding and estimated fees, expenses and costs, we will pay to the Company an amount equal to the amount by which any advance payment retainers exceed such fees, expenses and costs.

**3. Fees for Legal Services** — Our fees for legal services are based on our assessment of the reasonable value of our services. To assist us in determining that value, we assign hourly rates to each of our lawyers and legal assistants, and require each to maintain a record of the time spent and the services rendered on a particular matter. Time is recorded in tenths of an hour, which is the minimum we charge for any service. Our hourly rates, which are based on seniority, currently range from \$1,225 to \$1,650 per hour for partners; \$1,200 per hour for counsel; \$495 to \$1,110 per hour for staff attorneys and associates; and \$115 to \$380 per hour for legal assistants. From time to time, we reassess these rates to account for increases in our costs, augmentation of the experience and ability of our legal personnel and other factors, and thus our current rates may change (and be thereafter applied to all unbilled time) during our representation of you. In addition to hourly rates, we may also take account of the types of services involved; the size, scope, complexity, and time limitations of the matter; the results obtained; and other relevant circumstances, including any factors that you may wish to call to our attention. We are prepared, consistent with these principles, to adapt our valuation of services in advance of undertaking the representation to address any special needs you may raise with us.

**4. Disbursements & Other Charges** — We are committed to serving you with the most effective and cost-efficient support systems reasonably required as an incident to our legal services, and to this end we allocate charges for such systems in accordance with the extent of usage by individual clients, which are billed in addition to our fee for legal services. We provide certain services (or incur costs) in-house for which we charge an amount calculated in an effort fairly to reflect the equipment, personnel and overhead costs to us of providing the services to you. We obtain other services (or incur other costs) from outside vendors or suppliers for which we charge only the amount billed to us by the vendor or supplier. We may forward the invoices from these outside sources directly to you, in which event you will be responsible to pay the invoices in accordance with their terms. Otherwise, our statements will separately bill you for these disbursements and other charges.

Revlon, Inc.

4

In the event we are required to respond to a subpoena or other formal request from a third party relating to services we have performed for you, you agree to reimburse us for our time and expense incurred in responding to such request.

**5. Billing** — We want our clients to be satisfied with both the quality of our services and the reasonableness of our bills, and we earnestly invite you to discuss with us any questions or comments you may have about any of our fees and charges or the format of our bills. Our practice is to bill on a monthly basis for the fees, disbursements, and related charges incurred in the preceding month, except that, in certain transactions, we may mutually agree that some or all of the billing will be done on some other basis. While we make every effort to include all disbursements in the statements for the period in which they were incurred, some costs (especially telephone or outside vendor expenses) are not available at the time of billing and must therefore be included in a later statement. Our statements are due and owing upon receipt. In the event that some or all of our fees might be subject to payment by some third party (e.g., an insurance company), we regard our client as responsible for the payment of our fees and, absent a specific agreement to the contrary, we will not look to the third party for payment. We first apply all payments we receive from you to our oldest outstanding statement.

**6. Managing Costs** — We are sensitive to the need to manage and, when possible, to predict legal costs. We are happy to work with you to estimate our likely fees and expenses in connection with our services. You understand, however, that any estimate of projected fees is necessarily only an inexact approximation based on assumptions that may prove unfounded in the unique circumstances of each matter, and that such estimates are not intended as either a maximum or a minimum fee for our legal services.

**7. Outside Experts** — In the course of our representation it may be appropriate, with your advance approval, to retain persons of special training or expertise to assist in the rendition of legal services (e.g., accountants, economists, investigators). Owing to privileges that may apply to services that an attorney requests from a third party, it will often be advisable for this firm to assume responsibility for hiring such experts. Notwithstanding that the contractual relationship may be with this firm, however, you agree that you will bear the responsibility directly to pay the invoices for the fees and expenses incurred by these persons.

**8. Arbitration** — In certain circumstances, you may have the right to demand arbitration of a dispute over our legal fees in civil matters involving amounts greater than one thousand dollars (\$1,000) and less than fifty thousand dollars (\$50,000). In the event such a dispute arises, we shall notify you in writing of your rights, if any, to demand mediation or arbitration, processes that may have significant advantages for you.

**9. Confidentiality** — For our relationship to succeed, it is essential for you to provide us with all factual information reasonably relevant and material to the

Revlon, Inc.

5

subject matter of our representation. We regard the lawyer's duty to preserve the confidences and secrets of a client with the utmost seriousness. In instances in which we represent a corporation, partnership, or other legal entity, our attorney-client relationship is with, and this duty of confidentiality is owed only to, the entity, and not to the entity's parent or subsidiary corporations nor its shareholders, officers, directors, founders, managers, employees or partners, unless you instruct us or our representation of you requires otherwise. As a result, the confidences and secrets we obtain in the course of such representations belong to and may be waived by the organization we represent, and not by the employees, officers, or directors of the organization. Of course, in the absence of a conflict, we are free to represent these other persons, but should not be deemed to do so without our express agreement to that effect.

**10. Conflicts of Interest** — We wish to avoid any circumstance in which you would regard our representation of another client to be inconsistent with our duties to and understandings with you. Unless we have told you otherwise, we do not now represent another client in the specific matter in which you have retained us. Because we represent a large number of clients in a wide variety of legal matters around the world, however, it is possible that we currently represent, or in the future may be asked to represent, in some other matter unrelated to the specific matter in which you have engaged us, some person or entity whose interests are actually or potentially adverse to your interests in this or other matters, including in negotiations, work-outs, bankruptcy proceedings, or litigation. We agree that we will not undertake any such litigation, material corporate transaction or bankruptcy related litigation representation if the subject of the other representation is related to the specific matter in which we currently represent you. If the matters are general corporate, negotiations, work-outs or restructuring matters and are not related, however, then you hereby agree that we will be free to undertake such an unrelated adverse representation provided that (a) the unrelated representation will not implicate any confidential information we have received from you, and (b) the other client has consented to our continued representation of you. This means that this firm could represent another client against you in an unrelated matter such as a transaction or some other matter. Your agreement as set forth in this paragraph represents your acknowledgement that such adverse representations are foreseeable to you, and effects a waiver of your right, if any, to object to our representation in the unrelated matter of another client whose interests are adverse to yours. Since we understand that you are experienced in retaining counsel, we are relying upon your agreement to the foregoing in undertaking this representation. We urge you to ask us (or other counsel) any questions concerning this paragraph before we undertake to represent you.

Moreover, in the course of representing you, and in order fully to satisfy our professional obligations, we may from time to time need to consult with the lawyers in this firm responsible for advising the firm on ethical issues, including issues that may implicate your interests. You acknowledge and agree that, notwithstanding this potential for conflict in consideration of our professional obligations, the firm is free to consult with its own internal counsel on such matters without your consent and that such consultations

are privileged and confidential. For so long as our engagement is ongoing, in no event will we be adverse to the Company in any litigation matter.

**11. Termination** — We hope and trust that our relationship with you will be a long and fruitful one. Nevertheless, you are free to terminate our representation of you at any time unless judicial approval is required for us to withdraw, in which event we agree not to oppose such withdrawal. Subject always to any applicable rule of court, we may terminate this agreement if you deliberately disregard the terms of this agreement or if, in our professional judgment, we are unable to continue the representation consistent with our ethical obligations. Notwithstanding any such termination, you remain liable to pay all fees and charges incurred up to the date of termination. Upon completion of the matter to which this engagement letter applies, or the earlier termination of the representation, our attorney-client relationship will end unless we agree to continue the representation on other matters. We shall have no continuing obligation to advise you on any matter unless we otherwise agree in writing.

**12. Data Privacy** — In providing legal services to you and in conducting our business, we may receive from you, store, or use information or documents which consist of or contain “personal information” about you or your shareholders, officers, directors, founders, managers, employees, partners, clients, or business associates. Such personal information includes information that is defined by data privacy and data protection laws, including, but not limited to, Regulation (EU) 2016/679 (General Data Protection Regulation, or “GDPR”), as “personal data” or “special categories of personal data,” and may be protected under such laws. Under GDPR, “personal data” is defined as any information relating to an identified or identifiable natural person; “special categories of personal data” is defined as sensitive personal data, such as information about a natural person’s race, ethnicity, opinions, beliefs, health, or sexual orientation.

We will process personal information in line with our privacy notice (which can be found at [www.paulweiss.com/notices/privacy-policy](http://www.paulweiss.com/notices/privacy-policy)). If you provide us with personal information on individuals other than yourself, it is your responsibility to ensure that they are made aware of our privacy notice and you acknowledge that your processing and sharing with us of their information is undertaken pursuant to a legal ground under GDPR or other applicable data privacy laws.

**13. Legal Updates, Publications and Events** — You agree that we may contact you with legal updates or other publications which we believe may be useful to you (for example, with details of relevant changes in law). In addition, you agree that we may send you invitations to events such as client seminars on various legal topics. We may contact you for these purposes by email, mail or telephone (as appropriate). If you prefer not to be contacted for these purposes, please email us at [privacy@paulweiss.com](mailto:privacy@paulweiss.com).

**14. Governing Law, Choice of Jurisdiction and Venue and Waiver of Jury Trial** — Any controversy, dispute or claim arising out of this engagement shall be governed by and interpreted in accordance with the laws of the State of New York, without regard to any provisions of law governing conflicts of laws. Any cause of action, suit or proceeding (collectively, “Action”) arising out of this engagement shall be brought only and exclusively in a court of competent jurisdiction located within the City of New York, County of New York, State of New York, and you hereby consent to and waive any and all objections to the personal jurisdiction of any such court and to the service of process by registered or certified mail, return receipt requested. Each party waives any and all objections to venue of such Action in such court, including objections based on such court being an inconvenient forum. You irrevocably and unconditionally, to the fullest extent permitted by applicable law, waive any right to trial by jury in such Action. You certify that you have considered the implications of this waiver of jury trial, make the waiver knowingly and voluntarily, and have not been induced to do so by the Firm’s acceptance of this engagement.

**15. Entire Agreement** — These terms set out the entire agreement between you and us concerning our provision of legal services. Any modifications of or amendments to these terms must be in writing and agreed by both parties.

**16. Records Management and Retention** — We will maintain all paper and electronic records related to our representation of you in secure facilities and on secure servers. Those records will include documents such as legal pleadings, transactional documents, substantive correspondence and other documents reasonably necessary to our representation of you in the matter (the “Client File”). The Client File is your property. The records may also include purely internal firm documents prepared for the purpose of facilitating performance of our legal services in the form of research memoranda, outlines, emails, handwritten notes and mark-ups of documents, as well as new matter intake forms and internal conflicts checking records. These records are our property. At the close of a specific matter, we will return to you your original documents, if any, related to the matter. At your request, any remaining records in the Client File will be returned to you at your expense. You agree that we may make physical or electronic copies if we choose at our own expense. You agree and understand that any materials left with us after the engagement has terminated may be retained or destroyed at our discretion without further notice to you and in a manner which preserves the confidential and secret nature of their contents. The firm’s current policy is to retain records (other than duplicates and the like) for a period of ten years after the matter has terminated. In personal representation matters, the retention period is twenty years. At the expiration of the relevant retention period, the retained matter records will be destroyed. Please advise us if you have a records retention policy in place with which we will need to comply.
